

# Upgrade to the Future of Ergonomic Excellence and **Save 15%!**

**It's time to take your inspection and precision work to the next level!**

Trade in your Vision Engineering Original Lynx Microscope for the state-of-the-art Lynx EVO, you'll not only enhance your capabilities but also enjoy incredible **savings of 15%**.

## **Why Upgrade to the Lynx EVO?**

**Sharper, Clearer Imaging:** Experience superior optical clarity with high-resolution, high-contrast viewing for even the most demanding applications.

**Unmatched Ergonomics:** The Lynx EVO's patented eyepiece-less technology reduces eye strain and fatigue, allowing for longer, more comfortable working sessions.

**Greater Versatility:** With an expanded magnification range, improved lighting options, and modular flexibility, including the 360° viewer, the Lynx EVO adapts seamlessly to your needs.

**Enhanced Productivity:** Faster, more accurate inspections mean increased throughput and better quality control.
